

# Annual Report—2016-17 **Pahal Jan Sahyog Vikas Sansthan**

**65, Janki Nagar Main, Indore**

## **Foreword**

In 2016 PAHAL continue to work on to accomplish the mission of Gender Equity. PAHAL is committed to empower women through Gender Equity Programs, awareness on legal laws for women & children, vocational training programs and education for all. PAHAL aims the holistic development of women in economical as well as social life too.

Beside Gender Equity programs PAHAL also works on cross sectional issues like Health, Education, Livelihood and climate change to empower community especially the women and girl child. PAHAL implementing a wide range of programs like SAMBAL, Khajrana Medical Centre, Special classes for drop out children, SHG development and Skill development programs in Indore, Barwani, Khargone and Burhanpur.

This report includes learning and outcomes of programs implemented in the financial year 2016-17. Our programs are catering the target population as per their need with strategic planning. In coming year also we will develop a holistic plan to cover all target population in PAHAL intervention area.

In the context of the Plan, PAHAL is looking forward to serving as a voice for people living in poverty and adding value in Gender Equity and ensuring recognition for the work of PAHAL. Also looking forward to working with like minded partners around the world and I would like to thank all of our supporters, donors, partners, staff, volunteers and campaigners for their valuable contributions.

Taruna Nimare

President, Pahal Jan Sahyog Vikas Sansthan

## **About PAHAL**

PAHAL JAN SAHAYOG VIKAS SANSTHAN, Indore (M.P.) is registered under “Society Registration Act 1973”. It has been working in Indore city and also associated with other district of Madhya Pradesh since 2003. It has vast experience on working with gender issues including gender based studies in the city of Indore, Barwani, Jhabua and in Bhopal. The organization is of international and national repute and recognized by Voluntary Support Organization (VSO International, UK) under International Citizen Services on 'Secure Livelihoods through communication and gender participation' and TISS, Mumbai and ISSW, Indore for deputing the post graduate students to learn and gain the skills of social development and complete the internship/field works. PAHAL, from 2003 to 2014, undertook programs specifically to provide succor to distressed girls and women. Providing personalized counseling, guidance and training to needy women facing domestic violence and other gender-based problems, besides conducting several gender-sensitization programs for varied target groups i.e. adolescent girl, boys and young women.

PAHAL is providing its services as a resource agency on the issue of Gender equity and women rights. Throughout the state PAHAL organize capacity building programs for various Government and Non Government Organizations. PAHAL involves in establishing of CASH (Committee against Sexual Harassment). At field level PAHAL actively involves in sensitization/orientation programs on Domestic Violence Act 2005, Violence against women and promotion of gender equity laws. PAHAL also counsel the victims of domestic violence and harassment and guide them about the legal procedures, assistance in help from protection officers, police department, Women & Child Department and also facilitate the victims to link with HRLN (Human Resource Law Network) for legal assistance.

PAHAL is also a part of FEM (Forum to Engage Men) and Men’s Action for Stopping Violence against Women (MASVAW). These are national level Network which seek help in designing of program activities and log frame of the project especially in the field of Men/boys against Women Violence.

## **Mission**

“To create an environment for gender just society and to eliminate discrimination so that women’s will have equal opportunities to access, control and benefit over the development”.

## **Philosophy**

“PAHAL has a firm belief that the process of development is not just time scaled and target oriented. Development is a process in which creation of conditions for development is more important and the result development should have added value i.e. it must be qualitative, sustainable and equity oriented”.
